

Level 3:

- For the autonomous, create a basic routine:
 - Move forward
 - Score the pre-loaded block into the goal (using intake/outtake)
- Only required on one side of the red alliance (left or right).

HINT: Follow one of the Arrows

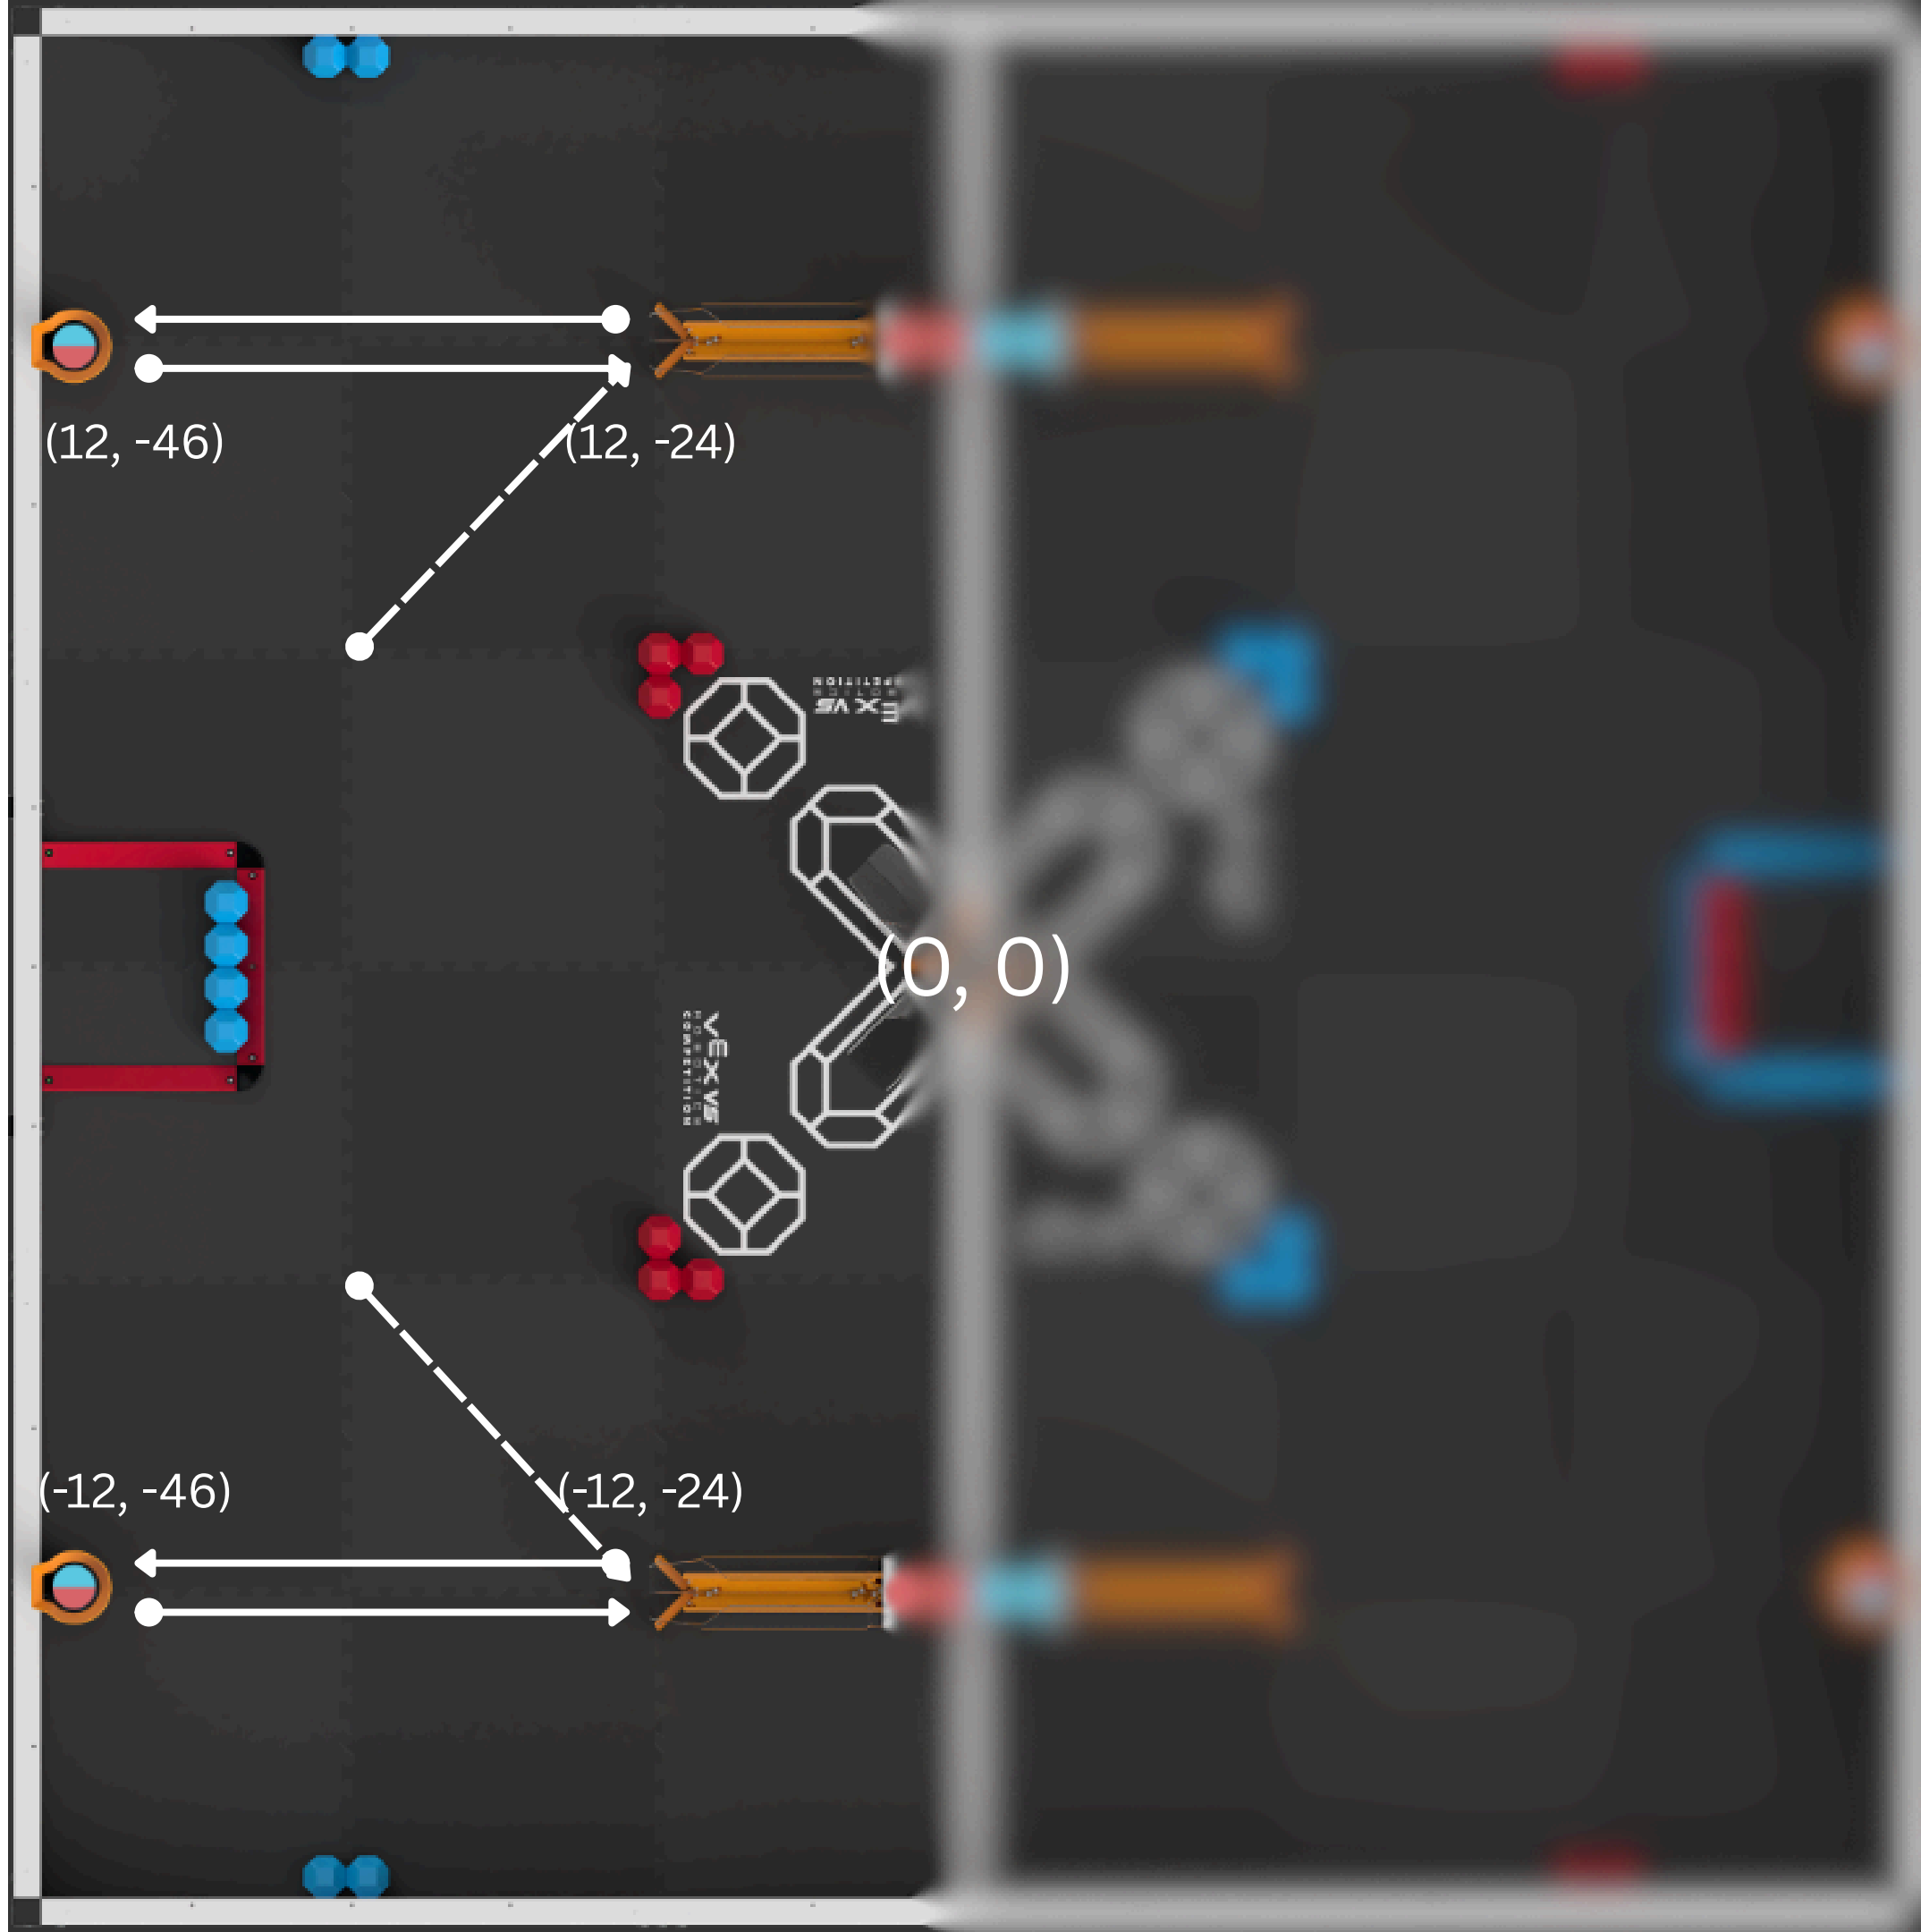

Level 4:

- Autonomous:

- Extend auton to pick up an additional block
- Score it (total of 2 blocks).

HINT: Follow one of the SOLID Arrow pairs

Level 5:

- Autonomous: (Total score 3 points)
 - Create an advanced path:
 - Score the pre-load
 - Collect another block & score
 - Score again with accurate turning.

HINT: The last step is NOT shown with an arrow. It's up to you how the path should be
