**Level 3:**
- For the autonomous, create a basic routine:
  - Move forward
  - Score the pre-loaded block into the goal (using intake/outtake)
- Only required on one side of the red alliance (left or right).

HINT: Follow one of the Arrows

Level 4:
- For the autonomous, extend the routine:
  - Pick up an additional block
  - Score it (total of 2 blocks).

HINT: Follow one of the SOLID Arrow pairs

Level 5:
- **For the autonomous, create an advanced path:**
  - **Score the pre-load**
  - **Collect another block**
  - **Score again with accurate turning.**

HINT: The last step is NOT shown with an arrow. It's up to you how the path should be
